

This is to confirm that Natural Propellent Inc. has been servicing both our locations of Canadian Bagel.

We are impressed by the performance of the Bugcon and Gillex products. The automatic dispenser systems have eliminated the fly problem and the use of Bugcon Hatari as added to better sanitation.

We are also recommending their "Death Tunnel System": for food areas.

Natural Propellent has a unique of providing training to the staff in maintain good hygiene and better sanitation. This heads reduced our expenses greatly.

Their supply of other sanitation products has reduced our frustrations in way of desalting with one source.

We have great pleasure in recommending Natural Inc. for supply and services to the hospitality industry.

Sincerely,

Moez Bhaloo
