

STANDARD PEST CONTROL

884 Millwood Road
Toronto, Ontario M4G 1X1
(416) 421-9284

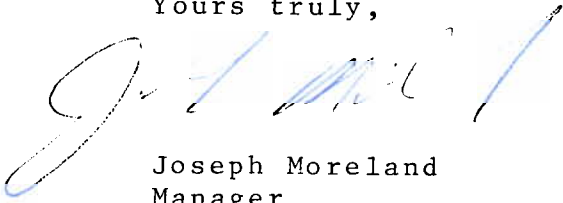

January 11, 1988

To Whom It May Concern:

I have been using Bugcon product in our operation and have found it to be a reliable method of treating many insect problems.

The retail sales from our store have increased and I expect demand for this product to continue in the future.

Yours truly,

Joseph Moreland
Manager
